**Description** The Oakville Zonta Club actively undertakes projects which address women's economic self-sufficiency, education, security, and health both within the community and on an international level.

Fund raising projects the Zonta club takes part in include monthly bingos at Mayfair Bingo, an annual women-only golf tournament at Lionhead to support breast cancer research, and gift-wrapping at Hopedale Mall during the Christmas season. Members also participate in many community events, such as Relay for Life.

The proceeds from fundraising are used to provide scholarships for public high school students and Sheridan College, fund major projects such as the Sexual Assault and Violence Intervention Services of Halton, Ian Anderson House, Wellspring, and other initiatives which support women in our community.
