Oakville Public Library
Where people and ideas meet.

Whether it's a toddler just learning her first words, an immigrant looking for information about his new town, or a senior receiving our special needs delivery service, the library inspires, enriches and empowers our community.

You know what the library has meant to you, your family and your neighbourhood.

Create a lasting legacy and make sure the services you've enjoyed will be there for those who need them.

Unexpected gifts to the Oakville Public Library are always appreciated, but a planned gift can often be more effective, for both you and for the library.

What is a planned gift?

A planned gift is a charitable gift that allows you to experience the joys of giving today while allowing the library and your community to benefit later.

Tell us what's important to you.

When making a planned gift, you have the opportunity to tell us what you'd like your gift to do. We'd be happy to discuss how your gift can fulfill the personal statement you want to make.

You don't have to be wealthy to give a planned gift.

A gift of any size has the ability to change the community for the better. For a truly lasting impact, consider donating to the library's Endowment Fund: the interest generated by your gift will provide ongoing support year after year.
